Physical Therapy Attendance Policy

(Please Read Thoroughly)

MK Rehabilitation strives to provide each patient with the highest quality of care while attempting to accommodate your schedule for your convenience. Therefore, we provide reserved time slots for each patient with a specific therapist in order to minimize your waiting and assure continuity of your treatment. Your consistent attendance of the planned treatment regimen is a paramount to your full recovery.

While we are sensitive to the fact that an emergency may occur in a rare instance, cancellations, especially last minute ones, along with patient no-shows, decrease our ability to accommodate the scheduling needs of the other patients. Additionally, no-shows display a complete lack of respect for your therapist and fellow patients. We must ask for your full cooperation with the following policy:

- If you are more than 30 minutes late for your appointment and fail to notify us, treatment may be cancelled and a fee charged for missing the appointment.
- A scheduled appointment MUST BE CANCELLED AT LEAST 24 HOURS IN ADVANCE or a fee will be charged for that appointment.
- Failure to show up for an appointment ("NO SHOW") without notifying us will result in a fee being charged for that appointment. Furthermore, 2 consecutive no-shows will result in the cancellation of all remaining scheduled appointments.
- At week's end, ALL PATIENTS, regardless of insurance/third party payer, will be charged a **$50 CANCELLATION FEE** for each late, late-cancelled, or no-show appointment. THE PATIENT IS RESPONSIBLE FOR THE FEE, NOT THE INSURANCE/THIRD PARTY PAYER.
- The credit card on file will be charged the **$50** fee the day of the no-show or cancelled appointment with less than 24 hours notice.
- No cancellation fee will be charged if the missed appointment is made up within the same week it was scheduled, on a day that you do not have another appointment scheduled.
- All cancellations and no-shows will be documented in your medical record and appropriately reported to your physician and insurance/third party payer.
- Repeated failure to comply with this ATTENDANCE POLICY will result in your name being placed on a "Schedule Based on Availability" list. This will require you to call for an open appointment on each day you would like to receive therapy. We will do everything possible to accommodate you, as space on the schedule permits.

We believe that this policy is necessary for the benefit of all our patients, so that we may continue to provide high quality treatment and services to everyone.

All of the staff at MK Rehabilitation appreciates your anticipated adherence and cooperation with this policy. We wish you the best of luck with your treatment. We are here to help you attain all of your goals and optimize your return to all of your pre-injury activities.

Credit Card on File Policy

Thank you for choosing MK Rehabilitation for your orthopedic and sports medicine needs. We are committed to providing you with exceptional medical care, as well as, making our medical billing processes as simple and efficient as possible. Recent shifts in the healthcare industry have resulted in insurance companies increasingly transferring costs to our patients, you, the insured. This is driving many practices to adopt new financial policies to enable more efficient operational processes. Some insurance plans require deductibles and co-payments in amounts not known to you or us at the time of your visit. Please take a moment to familiarize yourself with our practice's new Credit Card on File Policy.

To streamline our billing and payment system and to provide a seamless, convenient way for patients to pay their bills, MK Rehabilitation will require all patients keep an active credit card on file with us. The credit card will be kept in a secure and HIPAA compliant vault by World Pay. We will bill your insurance company first and upon their determination of benefits, the following process will be in place:

Co-pays will remain due at each visit and can be paid in any manner you choose at that time. If you have private, motor vehicle, or workers compensation insurance we will submit your claim for you as usual. In approximately one to three weeks, you should receive an explanation of benefits (EOB) from your insurer that outlines what part of your service has been covered by your insurance and reveal exactly how much remains your responsibility to pay our practice for the services rendered. We will receive a copy of your EOB from your insurer shortly thereafter and will charge your credit card on file with the amount due as indicated. If there is no balance due, your card is not charged. A copy of the receipt can be emailed to you, or you can request a printed receipt from any front desk staff.

If the credit card we have on file for you changes, please notify us IMMEDIATELY, by calling the office at 781-834-4600. It is not uncommon for people to change or cancel their credit cards for various reasons, including when a credit card expires. We will contact you or leave you a phone message on the phone number you provided for us, asking you to give us a call with the new number. We will enter the new credit card number into your file, and that will become your new card on-file, subject to the same financial policy as the card you gave us in-person when you were in our office.
If there is a problem with your bill/claim and it is brought to our attention after your credit card payment processes, we will investigate it and if we owe you the money, we will refund it to the same card in a timely manner.

We understand that there are legitimate reasons that you may not have a credit card. If this is the case, you are welcome to leave an HSA (Health Savings Account) or Flex Plan Card on File. You may also pay for the visit with cash or a personal check. You may contact one of our Billing Representatives in advance if you would like an estimate of what your charges may be.

Pre-Authorized Healthcare Form

By signing below, I agree to all of MK Rehabilitation's Credit Card on File Policy and I authorize MK Rehabilitation to keep my signature and a valid credit/debit card number securely on-file in my account. I allow MK Rehabilitation to automatically charge my credit card for any outstanding balances. These may include: insurance denials for ANY reason (including no referral on file); missed or cancelled appointments; deductibles; co-insurances; partially paid claims. If the credit card that I give today changes, expires, or is denied for any reason, then I agree to immediately give MK Rehabilitation a new, valid credit card which I will allow them to key-in over the phone. Even though MK Rehabilitation is not swiping this card in person, I agree that the new card will still be subject to the financial policy listed herewith and may be used with the same authorization as the original card which I presented in person I understand that I am responsible for payment for all medical services provided to me by MK Rehabilitation. I understand that my insurance may deny or delay payment for these services or only partially pay them, and I agree to allow MK Rehabilitation to immediately charge my credit card on file for the balance if that happens. I understand that this form is valid until I cancel this authorization through written notice to MK Rehabilitation.
